<- New Record!

<- New Record!

### WIQP 2014

Propagation conditions were good but not phenomenal as they were in 2013. Scores were down a bit, although two new records were set this year (compared to four last year). Weather was typical of March in Wisconsin with temps generally in the forties - certainly not balmy, but above freezing.

Log submissions were 329 for 2014, just five short of last year. 148 of these came from stations operating in Wisconsin while 181 came from stations outside the state and 17 of those were DX stations. These logs contained 41055 entries compared to 48883 last year. DX participation was up with 1014 Q's from 170 stations outside the U.S. and Canada showing up in logs.

#### Plaque Lineup

As announced in the 2014 rules, the WIQP plaque lineup was expanded this year. Our former *Highest Single-Op Score in Wisconsin* plaque has been replaced by two plaques, one for fixed stations and one for mobiles as shown below. New this year are the QRP and VHF plaques while the Club plaque and the Outside Wisconsin plaques remain as before. In addition, we have begun a sponsorship program and we want to thank all those who signed up to sponsor a plaque.

Plaque Description	Sponsor
Highest Single Operator Fixed (SOF) score in Wisconsin	Society of Midwest Contesters
Highest Single Operator Mobile (SOM) score in Wisconsin	Anne Dirkman, KC9UHH
Highest overall Single Operator QRP score	Todd Fonstad, N9NE
Highest Single Operator VHF score in Wisconsin (50Mhz and above)	Badger Contesters
Highest aggregate club score	West Allis RAC
Highest single operator score in the QSO Party outside Wisconsin	Pat Hoppe, WW9R

#### County Activation

Logs were received from 70 of our 72 counties this year, with Clark and Wood counties not heard from. But other logs

show that there definitely was activity in both of those counties, with 18 Q's from a station in Clark county and 7 from a station in Wood county. So we can safely say that all 72 were active!

### Clean Sweep by W9EAU

Big news this year is the first-ever "Clean Sweep" in the Wisconsin QSO Party! It was accomplished by the Eau Claire ARC club station W9EAU. Working all 72 Wisconsin counties in a seven-hour contest is a real accomplishment and the Eau Claire/W9EAU team did it. Congratulations!

The 72nd Q took place just before the end of the 'test and it was with NE9U/mobile in Adams county. Here are comments received from both sides of this QSO.

"Big thrill to work county number 72 with 2 minutes to go!"

- W9EAU

"I hear rumors that I gave out county #72 (adams) to a fixed station with about 2 minutes left in the contest!"

- NE9U

The gang at W9EAU celebrates their "big thrill" - a Clean Sweep in WIQP 2014!

## **Category Results**

### Single Op Rookie (SOR)

Richard Collins, KB9NIV, up in Vilas county submitted the top score of 27900 points in the Rookie category. Congratulations, Richard, and welcome to WIQP!

Fifteen Rookie entries were received from Wisconsin this year, up from nine in 2013. Twelve entries were received from outside Wisconsin, up from five last year. This was the fifth year WIQP has had the Rookie category and there have been a total of 66 entries.

The Rookie category is open to WIQP newcomers for two consecutive years. Entrants do not need to be new hams - just new to WIQP.

### Single Op Fixed (SOF)

Chad Kurszewski, WE9V, returned from a ten year absence from WIQP with a bang, scoring 207009 points to take the plaque for this category. Welcome back, Chad!

Chad's score is noteworthy for two reasons. First, 207009 points is a new all-time record for the SOF category (previously 180495, by KA9FOX in 2010). Second, this is the first time in seven years that the Single-Op Fixed score has beaten the top Single-Op Mobile score.

Runner-up in the SOF category, with a score of 146190, is Todd Fonstad, N9NE. This is Todd's second year operating from home. Hopefully we'll see him back on the road one of these years.

Ryan Klavekoske, KB9OWD, who dominated the SOF category for three years, went mobile this year. More about him there.

Great job, guys, and thanks to all 107 of the SOF entries from Wisconsin stations.

### Multi-Op Fixed (MOF)

The father/son team of Kent Scheuerell, K9ZMU, and Scott Scheuerell, N9HDE, took top honors in the Multi-Op Fixed category from Grant County with 96079.5 points.

Second was the Douglas County RACES/ARES group, WA9KLM, with 59904 points

Great job and thanks for your efforts.

### Multi-Multi Fixed (MMF)

In addition to their "clean sweep", the Eau Claire ARC, W9EAU, continued their dominance of the MMF category with a score of 267375 on 981 Q's. This is the seventh consecutive year that the ECARC gang has taken this category. As in past years, W9EAU operated from the W0AIH "farm" near Eau Claire (visit <http://www.qth.com/w0aih/> for more info). Thanks to Mark Seyffer, KB9S, and the other seven ops for their participation and support.

Other entries in this category were Carolyn Kammen, NQ9A, along with N9CK, scored 197302.5 points and the UW-Madison crew (Badger Amateur Radio Society) crew at W9YT, who scored 11759 points. It's great to see W9YT back on the Multi-Op scene.

### Single Op Mobile (SOM)

Pat Cain, K0PC, operating W9DND/mobile, produced the top Wisconsin SOM score for the fourth consecutive year, with 176394 points on 853 QSO's while visiting 15 counties. He receives a plaque for Top Wisconsin Mobile this year. Congratulations to Pat and driver John Holman, W9DND, for doing it again! Further details about Pat and John can be found in the Feb. 2012 edition of the WARAC newsletter at <http://www.warac.org/hamtrix/0212trix.pdf>.

Runner-up in this category is long-time WIQP mobile competitor Jeff Bechner, W9MSE, with 160356 points on 772 Q's from 16 counties..

Ryan Klavekoske, WB9OWD, took a turn at mobiling this year and made it through 9 counties, about half of his plan, before having problems with a melted loading coil. In spite of Murphy's visit, Ryan did 67401 points, good enough for fifth place in the SOM standings.

Nine mobiles entered the SOM category this year. Thanks to all for the work, skill and personal resources that you put into your efforts. You guys are the best!

### Multi-Op Mobile (MOM)

The top Multi-Op Mobile score was turned in by Scott Jasper, NE9U, and his multi-op crew, Ron Fuetz, KK9K; and Art Wysocki, N9BCA. They toured 14 counties and logged 792 Q's for their efforts.

There were two runners-up, NG9T, manned by Jim Callow, K9IR and Eric Janssen, KG9GH; and W0ZF, manned by Dave Fugleberg and Matt Holden, K0BBC. Together, these two mobiles visited 21 counties

### Multi-Multi Mobile (MMM)

Harold Burt, W9HB, and Roger Scott, KF9D, teamed up again to produce a score of 164600 points on 713 Q's. They drove up from Illinois and visited 16 Wisconsin counties. Harold and Roger also logged 34 VHF Q's, enough to win the new VHF plaque. More about that below. Thanks again, guys, for your participation in WIQP.

### Single Op Technician (SOT) and Multi-Op Technician (MOT)

No entries were received in either of the Tech categories (SOT nor MOT) this year. Perhaps the new VHF plaque will provide more incentive for VHF activity going forward.

### Top Non-Wisconsin Single-Op

This year's honors and a plaque go to Tom Williams, N2CU, of Hamburg, New York for his score of 52992 on 289 Q's, a new all-time record, edging out N0UR's 2005 score of 52096. Congratulations, Tom! A member of North Coast Contesters club, Tom is no stranger to WIQP, having won the same Top Non-Wisconsin award in 2009.

Thanks to all 181 non-Wisconsin participants. And, to *all* out-of-staters who participated, thanks for partying with us!

### Top QRP Station

Pete Beedlow, NN9K, came up from the Moline area this year and operated QRP in Grant county, racking up 98708 points on 279 CW QSO's. As a result of this effort, Pete is the first winner of our new QRP plaque.

Second on the QRP list is Dan Alwin, KE0G, who came over from Minnesota and operated QRP mobile in three counties in western Wisconsin. Dan did 70704 points on 237 Q's.

Overall, logs were received from 20 stations that operated QRP this year, 9 in Wisconsin and 11 out of state.

### Top VHF Station

Tops above 50Mhz is the Multi-op Mobile station manned by Harold Burt, W9HB, and Roger Scott, KF9D, who accumulated 357 points on 34 VHF QSO's with seven mults.

In all, 34 stations competed for the new VHF plaque. Scoring for this award is done by applying normal WIQP scoring rules while ignoring all QSO's below 50 MHz.

### Club Competition

The Fond du Lac club maintained their dominance of the club competition with a score of 776562.5 contributed by 20 members. Big contributors to their score were mobiles Ryan, KB9OWD, and Jeff, W9MSE, who visited 25 counties.

The club competition award is open to Wisconsin-based clubs only. Many WIQP entrants are members of regional clubs or clubs based in other states. Society of Midwest Contesters (13 WIQP entrants) and the Minnesota Wireless Association (21 entrants) are examples. A big thanks to all clubs, in and out of Wisconsin, that contribute to the success of our Party!

A total of 77 different club affiliations show up in the 329 logs submitted this year.

### **More about Mobiles**

A total of 14 mobiles operating in three categories traveled Wisconsin highways this year, up from 11 last year. 62 of our 72 counties were visited by at least one mobile. Here's a summary of their accomplishments. Thank you, mobiles, you're a big part of WIQP!

Callsign	Name	State	Home County	Category	Cntys Roved	CW Q's	PH Q's	Qs	Mult	Score	Pwr

Log Submissions

Of the 329 logs received, 287 were in the preferred Cabrillo format and 42 others needed additional effort to load into our log checking system. 30 of the 42 were paper logs, with 17 being handwritten and 13 being computer printouts. Ten of the others were in an electronic format that was fairly easy to paste into our manual entry tool (which converts them to Cabrillo), and the other two could not be used for lack of complete information. All in all, these 42 logs represented 3753 Q's, about 9% of the total log entries.

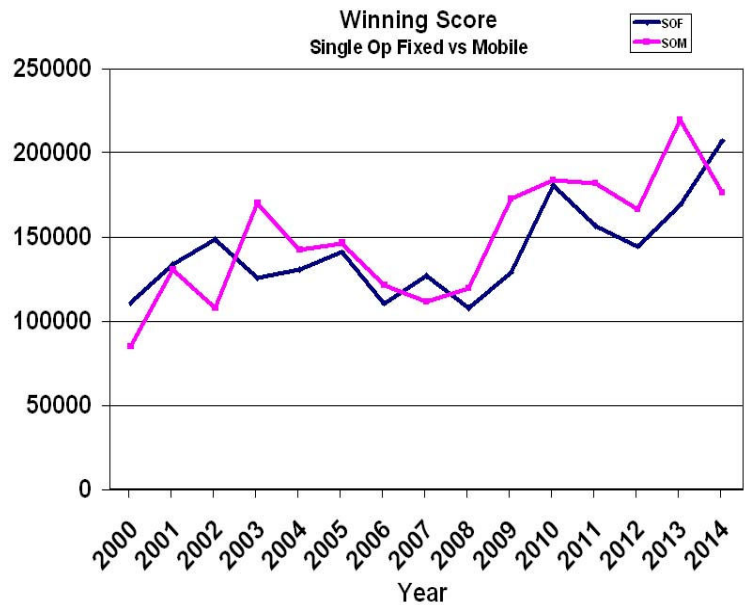

This year we sent out over 300 emails requesting logs from those whose callsigns appeared in other submitted logs. This effort was successful in bringing in a couple dozen logs we probably would not have received otherwise, but it also brought in more logs that lacked complete information, so it added to our workload.

We want to encourage everyone who participates to submit a log, but they do need to be complete and, ideally, in the desirable electronic format. Two things that would help us the most - please use a contest logging program that produces a Cabrillo log and please email your log rather than printing and mailing it. For 2015 we plan to publish better information about log submission on the website.

**Single-Op History**

Since we now have separate plaques for SOF and SOM, there is less competition between these two categories, but it's still interesting to look at the data. Note that top scores have increased by roughly 50000 over the last dozen years.

Single Op Scores by Year				
Year	SOF		SOM	
2000	WE9V	110556.0	W9MSE	85004.0
2001	N9FH	133951.5	W9MSE	130430.0
2002	WE9V	148563.0	W9MSE	107864.0
2003	N9FH	125542.5	K5OT	170146.0

2013	KB9OWD	169119.0	W9DND	219273.0
2014	WE9V	207009.0	W9DND	176394.0

**Conclusion**

At right is a summary of activity by band. 80 and 40 were down and 15 and 10 picked up a little of the difference. Also, 160 meter activity increased over last year.

Again, **thank you all** for being part of WIQP and please come back and do it again on **March 15, 2015!**

# Wisconsin QSO Party

## Soapbox Comments

Callsign	Comment
<b>AA4FU</b>	Thanks to all the mobiles. Worked Green county (twice) for my last county in Wisconsin.
<b>AA9WP</b>	Hi. It has been several years since I last participated. Always a challenge at QRP levels. Thanks to everyone who had to dig me out of the noise on the bands. Looking forward to next year.
<b>AB9IO</b>	Had tons of fun!!!
<b>AD0BI</b>	MO too close to WI for much on 20. 40 must be noisy up there also.
<b>AI1V</b>	Nice party guys! First time I've participated, but I'll be back next year. 73, Rick, AI1V
<b>CT7AIX</b>	My first WI QSO Party. CU next year. 73
<b>F8BFU</b>	Only on 21Mhz
<b>HA8IB</b>	Fine party it made 31 new county. Rig is - YAESU FT-2000 + 700W, ant. TH7DX 9m high.
<b>K3TW</b>	Many thanks to the mobile stations who make this a very dynamic QSO Party!
<b>K7NWM</b>	Please ask operators to say county name slowly or just give 3 letter identifier.
<b>K8FZY</b>	Hi all. had great time again this year. thanks and 73 see you in year 2015
<b>K9ATG</b>	Transmitters: Kenwood TS-430s (100W) and Yaesu FT-817nd (5W) QRP QSOs: WE9V, WB9SBD, NK9G, KB9KEG, W9T, K9DJT, KB9SJD
<b>K9BTP</b>	12 or more contacts from: Oneida, Lincoln, Langlade, Total Mobile Bonus = 1500
<b>K9DJT</b>	Had fun! 73, Gary, K9DJT
<b>K9KI</b>	Thank you for hosting the QSO Party and all the time your club puts into it each year. John Touzinsky, Fox Cities Amateur Radio Club (FCARC)
<b>K9WD</b>	Great fun-73 K9WD
<b>K9ZMU</b>	N9HDE is Scott Scheuerell
<b>KB0KFX</b>	I had a fun time operating. It was good to see the higher bands open. I always look forward to participating because of the great attendance of operators.
<b>KB9OFM</b>	It was cold outside this year.
<b>KB9OWD</b>	12 or more contacts from: Crawford, Vernon, Richland, Grant, Iowa, Lafayette, Green, Rock, Dane, Total Mobile Bonus = 4500 Correct score 67,401 with power mult. 4 hour effort only due to antenna failure. Missed 8 other planned counties as a result.
<b>KC9CHL</b>	Hiking with HT in UW Arboretum
<b>KC9UHH</b>	Thanks for all the fun!
<b>KC9UJM</b>	I had a lot of fun and I had a good time. All of my HF contacts were PSK31. 73, KC9UJM Tahmara.
<b>KE0G</b>	K3/10 at 5 watts to three different wire antennas: a 34' vertical, a 34' vertical with a 66' tail sloping down, and a 100' dipole as an inverted VEE up 30' at center. Matchbox tuner.
<b>KI0I</b>	This is a fast and fun qso party, only 7 hrs to get all u can. I like the short exchange and the merge of cw and fone into one category. Thanks to all u mobile ops who take to the road for the benefit of all who participate. Great job! The WX was too nice to sit inside all day but I put some time in the op chair anyway. Thanks all 73 Mark KI0I
<b>KJ4LTA</b>	Thanks for the FUN! Ed
<b>KJ8O</b>	Had a great time. Many thanks. 73 de Joe KJ8O, Troy, MI
<b>KK0I</b>	Thanks in advance for all your hard efforts to make this a success. Sincerely, Jack Hill, KK0I

<b>KN4Y</b>	A great QSO party, plenty of CW mobiles and fixed stations. Worked most of the fixed stations on 3 bands. Not the best conditions but tolerable. No naps during this party.
<b>KV4MO</b>	licensed 3/26/13
<b>KV8Q</b>	Another fun seven hours. Twenty meters was the surprise of the day staying open until the sun went down. I heard lots of folks on 15 but they never heard me. Forty was a bit shaky at first but it settled down very nicely. And, I even got a couple of Q's on 160 for a change. My score was a bit better than last time I worked this event. Special thanks to the great mobiles we got to chase around. Here are the calls/QSO's: W9DND / 23 N0IJ / 23 W9HB / 22 NG9T / 19 W9MSE / 18 NE9U / 16 KB9OWD / 14 WI9WI / 4 KE0G / 4 WA0MJH / 3 And, thanks to all of the fixed stations that kept the bands interesting. I'll try to get this one on the calendar again for next year. 'Till then, 73 tom KV8Q ar
<b>KX9M</b>	Had a blast once again!!! Thanks to all!!!
<b>N0IJ</b>	Score way down from last year. Had some snowy/slushy roads, but still a lot of fun. Big thanks to my driver, W0TVD for keeping us on schedule almost to the minute.
<b>N1NN</b>	9TH WISCONSIN STATE QSO PARTY
<b>N3KN</b>	Thanks for the QSO Party. I got home late in the day from an ARRL convention out of state so I didn't have a lot of time to operate, but it was fun.
<b>N3TG</b>	Thanks a bunch. Couldn't be on as much as would have liked to but still got 2 new counties and when you are close to having them all, every new one is greatly appreciated! Red N3TG, Fairfax, VA
<b>N4CF</b>	Enjoyed the party.
<b>N4PN</b>	Lots of activity rolled into a short seven hours. Missed four counties, Wood, Clark, Dunn & Iron. (Heard Iron on 40m working another WI station, but couldn't corral him... Thanks to the mobiles/portables and to the sponsor...
<b>N8KQS</b>	Thank you for hosting the QSO party again this year.
<b>N9RXB</b>	was my first one, loved it.
<b>N9TBE</b>	I had a great time operating the QSO party, a big thanks to all who organize this event.
<b>ND0L</b>	Band conditions seemed about the same as last year, but it seemed to me that the activity was down a bit. Could have been my cold though. Still, this is such an enjoyable contest to work!
<b>NG9T</b>	Counties activated: DOO KEW BRO OUT CAL WIN WAP WSR POR MAR SHA MEN LAN OCO FOR MRN FLO MRN IS HOME CTY
<b>OH6NIO</b>	I enjoyed the first time in this event and worked many new counties.
<b>VE3GXW</b>	Enjoyed the contest. Good luck with future events.
<b>VE3PYJ</b>	Great participation this year.
<b>W0PNA</b>	Between work schedules and Murphy we only had enough time to make it from Bloomington, MN to the nearest Wisconsin county, Pierce, for the tail end of the contest. Attached are all 12 QSOs - the good news is the log checker's job will be easy on this one!
<b>W0ZF</b>	12 or more contacts from: Pierce, Dunn, Total Mobile Bonus = 1000 Last Minute entry. 10m dipole on a 10ft mast in the bed of my Ford Ranger. First WiQP and first ever HF mobile operation. Thanks to Matt, K0BBC, for joining me on yet another ham radio adventure.
<b>W1END</b>	Rig was FTdx5000 (150w) and Butternut HF6V all-band vertical. Love that mobile activity! Thanks to all.
<b>W8KNO</b>	Good contest, nine new counties.

<b>W8RU</b>	Limited time but lots of fun. Thank you and 73.
<b>W9DND</b>	The long winter in this area came to an end on Sunday. We finally broke through the freezing temperatures to hit the mid 40s. It looks like the WIQP weather genie is back at work. John, W9DND, and I ventured out for another great run through western Wisconsin. We ran the same route as last year and it worked very well. The roads were in very good shape with a few potholes to keep us awake. Our score was down considerably from last year (about 20%) but we didn't have any problems. We operated primarily on 40M & 20M throughout the day. We went to 80M for the last half hour or so. I reconfigured the antenna a bit this year to try to get it to tune on 15M but it still doesn't want to go there. We had 227 unique calls in the log with an array of heavy hitters who followed us all day. 23 - KV8Q 16 - AA4FU 16 - OM2VL 14 - N0UR 14 - W1END 14 - W9EAU 13 - K9NW 13 - KQ3F Thanks to these and everyone who make this event so much fun. The West Allis RC deserves commendation for sponsoring WIQP every year. 73, Pat K0PC & John W9DND
<b>W9EAU</b>	Thanks W0AIH for hosting W9EAU another year. Big thrill to work county number 72 with 2 minutes to go!
<b>W9HB</b>	Another fun ride around southern Wisconsin, but roads sure were bumpy!! The weather co-operated and Murphy was busy elsewhere, so we had a good time. Thanks to my driver and phone op Roger, KF9D,
<b>W9JN</b>	Had a fun time. My 40 m dipole wa down, that made a big difference.
<b>W9LW</b>	That was fun. Had to make antenna repair after party started. Suddenly, Wis. stations heard me much better!
<b>W9MXQ</b>	Great fun contest - as always!
<b>W9OP</b>	Thanks for all the hard work, Great contest. 73 Mark W9OP
<b>WA9FCL</b>	Again, I have really enjoyed the WIQP contest.
<b>WA9OEC</b>	I really enjoyed the WIQP again. Thanks for the great organization.
<b>WB5BKL</b>	Time limited by family chores. Nice activity level. My thanks to all. Had fun.
<b>WB7CYO</b>	TNX 4 sponsoring the contest. Total QSO's - 15
<b>WB9LRK</b>	Great contest and a ton of fun.
<b>WB9TFH</b>	Thanks for all the QSO's. I got on a little late. I had to go mulit-op because I let the xyl do some calling for me. I'll have her in more contest in the furture, she enjoyed it.
<b>WC7S</b>	Only an hour.. sure wish I could have been in longer.. was a lot of fun!! See you next year!
<b>WE9V</b>	After a 10 year hiatus (excluding a short part-time effort 3 years ago), it was good to operate this one again. What a fun time. It was hard work trying to keep track of and work all the mobiles. You guys do such a fantastic job. I worked 69 of the 72 counties. I believe one was activated but I missed it (JACKson), and I'm not sure about the other 2 (CLArk and WOOd). I only missed 2 states, RI and OK. Was surprised to work VY1, but missed "easy" VE2 and VE6. After making a few thousand QSOs last weekend as P40L in the ARRL DX SSB contest, I found it difficult to find my own callsign, and even worse, I wanted to use "five-nine K" instead of "five-nine Kenosha". Thanks everyone for the QSOs, and thanks again to the mobiles. Chad WE9V <a href="http://www.we9v.com">http://www.we9v.com</a>
<b>WN4R</b>	Always enjoy WIQP. Not always able to participate due to band condx from a CC&R antenna restricted community.
<b>YO9FXD</b>	It was a pleasure. TS130S, magnetic loop.
